SWEDISH TRANSPORT ADMINISTRATION

Overall theme for the Barents Euro Arctic Transport Area (BEATA) Swedish chairmanship 2017-2019

*Transport cooperation in the Barents Euro Arctic area for the future –
innovative solutions for strengthened competitiveness and sustainable
development*

The goal for Barents Euro Arctic Transport Area (BEATA) Swe chairmanship 2017 - 2019

- continue developing the cooperation environment with the countries concerned
- seek greater coordination and synergy between BEATA and Barents Regional Council and Northern Dimension Partnership on Transport and Logistics (NDPTL)
- promote transport policy objectives and strive for innovative, sustainable and efficient transport solutions in the region
- showcase Swedish solutions and innovations
- promote strategic and flexible planning of cross-border infrastructure measures and have a well-functioning exchange of information on planned measures with other countries
- reduce obstacles to transport flows in the region by highlighting challenges and changing experiences
- **update and develop the Joint Barents Transport Plan (JBTP)**

Joint Barents Transport Plan (JBTP)

- Joint expert group
- Continue the Update (New plans etc.)
- Develop the plan further
- Swedish Transport Administration will coordinate the work.

Purpose of the updated plan

- A guide for future National transport plans on a strategic level
- Focus on the most important cross-border deficits in the function of the transport system in Barents
- A plan that gives recommendations on how to deal with the most important cross border related issues.
- The plan is advising - not governing
